NO EXPERIENCE NEEDED

Our classes concentrate on a single aspect of filmmaking. With courses lasting 1 month, 1 week, or 1 weekend, you can find the class you need that fits your schedule! Our students will enjoy an open invitation to workshops, networking opportunities, training events hosted by the Film Kitchen, and career assistance.

COVID-19 INFO

To abide by all health recommendations Admission screenings may be done online or by phone. Class sizes are designed to be small for hands on learning & to maintain distancing. We take frequent temperature checks, sanitize equipment often, wear masks, & use several air purifiers. With your help, we will get through this.
